

Taranis Training Ltd. Commercial AZ Truck Driver Training Program

This program is based on a five-day week, approximately 7 hours per day. Six weeks (210 hours) in total length. ***Tuition for this program is \$10,500.00.***

Our program consists of 3 components: 1. Classroom, 2. Range, 3. Practical. The classroom and range components are combined to give students the opportunity to immediately apply skills learned in the classroom to the operation of a tractor-trailer unit within a controlled and safe environment. This section consists of 162 hours combined.

The 3rd component consists of practical training. This includes, but is not limited to, city driving, highway driving and both day and evening driving. This section consists of 48 hours.

Registered students are eligible for a T2202A tax receipt as authorized by Revenue Canada. Our refund policy is in accordance with Ontario Regulation 415/06.
