

Migisi Sahgaigan School Board Post-Secondary Student Support Program (MSSB PSSSP)

APPLICATION OUTLINE

Migisi Sahgaigan School Board is proud to have you continue on in your education. There are some requirements you must meet to be sponsored by Migisi Sahgaigan School Board:

- Students must submit a PSSP Application Package containing:

Post Secondary Assistance Application	Form A – P1 & P2
Signed Declaration Information	Form B
Signed Release of Information	Form C
Signed Direct Deposit	Form D
Copy of Status Card	Form D

These applications must be filled out **for each year** you attend university/college and must be sent to the Migisi Sahgaigan School Board before May 31st of each school year.

- First year students must present an acceptance letter from your university/college. As well as the tuition cost and other related school costs for the full year. Any additional costs over this amount may not be covered by the Migisi Sahgaigan School Board.
- Only students registered full-time will receive allowance. Module and Part-time students receive tuition and books.
- Sponsorship letters will be faxed to the University/college and the original mailed to you once your acceptance letter has been received by Migisi Sahgaigan School Board.
- Students must supply the Migisi Sahgaigan School Board with your transcript 4 times a year (Mid-term, January / Mid-term and the end of the school year). Failure to do so will result in funding being ceased and may result in a suspension of sponsorship for 2 years.
- Students will be responsible to pay for **health coverage** offered by your college or university if needed. Sahgaigan School Board WILL NOT be responsible for that portion of your tuition.
- Students that enroll into a specific Post-Secondary Program must complete the program for sponsorship; the student will forfeit sponsorship if program is transferred.
- Students dropping out of a Post-Secondary Program (without a written medical reason from their doctor) funding will be suspended for a period of 2 years.
- Students must maintain passing grades in all courses. If students are experiencing difficulties in one or more classes; please contact the Director of Education MSSB.
- The MSSB must operate within our budget. For that reason we are not able to fund or fully fund every student that wishes to attend post secondary institutions.
- The MSSB will provide financial support for qualifying students for a maximum of four years.
Please Note: The decision is based on funding availability and number of applicants.
