

GOVERNANCE RENEWAL- VIRTUAL ENGAGEMENT

MIGISI SAHGAIGAN GOVERNANCE POLICY

Join us for a virtual community engagement session as we continue Migisi Sahgaigan's Governance Renewal Journey. For over 15 years, members have shared their vision for accountability, transparency, cultural grounding, and stability—guiding the development of our Governance Policy. This session will share updates, show how community direction is shaping Bimi'oniitizowin (Governing Ourselves), and outline next steps. Your voice remains essential as we clarify roles, strengthen decision-making, and build a stable, culturally grounded governance system for future generations.
