- Support chronic disease management, health teaching, and wellness planning with clients and families
- Maintain accurate, timely documentation and client records (case notes, charts, reports)
- Coordinate care with internal programs and external providers (hospital, PHU, home care, social services)
- Participate in emergency response and follow established clinical/safety protocols
- Contribute to program delivery, community health initiatives, and continuous quality improvement

QUALIFICATIONS:

- Registered Nurse in good standing with the College of Nurses of Ontario (CNO)
- Current CPR (Basic Life Support); First Aid is an asset
- Strong clinical judgment, communication, and documentation skills
- Ability to work collaboratively and independently in a busy, community-based setting
- Valid driver's license and ability to travel locally (as needed)

ASSETS:

- Community health, public health, primary care, or remote/rural nursing experience
- Experience working with First Nations/Indigenous communities and a strong commitment to culturally safe care

Eagle Lake First Nation

- Training in trauma-informed practice, harm reduction, mental health/addictions, or chronic disease education

SCREENING/CONDITIONS OF EMPLOYMENT

- Satisfactory Vulnerable Sector Check (or Criminal Record Check, as applicable)
- Immunization status per workplace requirements
- Proof of licensing, certifications, and professional liability coverage (as applicable)
